ENSURING COMMUNITIES ARE NOURISHED

WITH FOOD, HEALTHY ENVIRONMENTS, AND SOCIAL CONNECTIONS

2023 IMPACT BY THE NUMBERS

251,000 MEALS SERVED
to increase food security
amongst community members

\$1,150,000 SAVED BY UNITED WAY 211
CALLERS in prescription drug
costs

CLIENT STORY

Mr. Lee had multiple health issues when he was connected to a United Way partner agency. A case worker helped him to access health insurance, set up a bank account, set medical appointments, and gain access to a home health aid. Mr. Lee was also assisted in becoming a U.S. citizen. He is now in a safe, healthy home and an active member of his community.
