

## LOOKING FOR WAYS YOUR ORGANIZATION CAN MAKE AN IMPACT?

Giving our students the resources they need to become successful and strive for more impacts all of us. Cleveland Metropolitan School District students K-12 need school supplies year-round. In partnership with United Way of Greater Cleveland, your organization can be part of the solution in a hands on way by purchasing supplies and stuffing backpacks! In doing so, you will engage with the community while supporting our most valuable asset... our children.

## CHILDREN NEED SCHOOL SUPPLIES YEAR-ROUND

- Project ACT provides services to children and youth residing in temporary emergency shelters, transitional housing, or with family members due to loss of housing or economic hardship.
- International Newcomers Academy provides students arriving from other countries and Puerto Rico with a welcoming learning environment to help them get used to their new surroundings.
- Supplies needed for students ranging from PreK-12th grade.

## HOW YOU CAN GET INVOLVED

Contact your United Way account manager and let them know you want to help CMSD students achieve success.

Confirm the number of backpacks and supplies you'd like to purchase based on grade level lists. Your account manager will share preferred vendors for purchasing.

Materials will ship directly to your office. Stuff the backpacks with your team and deliver them to CMSD students!
